

MrPEX® Manifold Cabinets, Surface

Surface mounted cabinets for MrPEX® manifolds

MrPEX® Surface manifold cabinets allows for a neat and professional installation in areas where the manifold might otherwise be visible or subject to damage. Cabinets are made from hot-dipped 20 Gauge galvanized steel. To save on space and to reduce damage during shipping, cabinets come boxed flat and un-assembled. Also featuring; a durable white finish, door with latch, adjustable manifold mounting brackets inside the cabinet, and a removable door and lower section for easy access during installation.
