## Wireless Components

5310885 Smart Plug US, Light Gray—Works with the MrPEX® Smart Home App and allows you on/off functions for light and some electronics and run custom programs

5310888 Universal Gateway—The heart of the MrPEX® Smart Home system will connect all devices to the Zigbee network and to the internet

5310901 Water Leak Sensor—Will alert you if water is sensed and when used with Inline Shutoff Valve (5310904) the water to the house can be shut down

5310904 Inline Water Shutoff—Used to shut off water to whole house or dedicated fixtures, 3/4" NPT connections

5310881 Embedded Door sensor—Installs hidden from view in the door frame

5310882 Window/Door Sensor—Simple device that detects when doors or window are open or closed
